## Sanjeev Agarwal, MD

**Title:** Interventional Pain Management Physician

**Language:** English

**Ages Treated:** Adolescents to Adults

**Locations:**

186 Montague St., 3rd Fl., Brooklyn, NY 11201

## Get Ready for your Appointment!

### **Arrive Early:**

Please come 15 minutes before your appointment to ensure everything runs smoothly.

### **Bring Your Essentials:**

Remember your insurance card, ID, and any referral forms or medical records.

### **Prepare Your Questions:**

Jot down any questions you might have for the doctor, so we can provide the ultimate experience.

### **Health Updates:**

Let us know about any recent changes in your health.

### **Diagnostic Results & Claims:**

If your visit involves car or work-related injuries, bring any diagnostic results and insurance claim information.
